

26. Non-fiction – Self Help

THIS IS NOT THE LIFE I ORDERED by Deborah Collins Stephens, Michealene Cristini Risley, Jackie Speier, and Jan Yanehiro

This Is Not the Life I Ordered is for anyone who has ever felt overworked, overwhelmed, or just plain unlucky (and, who hasn't?!). Through this collection of stories, wisdom, and practical advice, readers will meet four ordinary women who have faced extraordinary life challenges. This book started simply with four friends getting together for “kitchen-table coaching sessions” to talk about their lives. Week by week and story by story, they realized their great advice to each other could help other women struggling with life’s myriad issues of work, family, and love, as well as the big questions of life and death. For over a decade, the power and strength of their collective friendship enabled these women not only to survive but to thrive. They invite readers to join them to learn how they, too, can turn “misfortunate” events into joy-filled opportunities. Readers will want to share this book with every woman in their lives!
